Vincent Duran, Executive Director

Walk of Hope Tour
Curious about life on our campus and in our cottages? Would you like to see first-hand the warm, family-oriented home your support makes possible?

Come join us for a tour of our campus and cottages. It’s an hour of wonderful stories, great information and an inside look at where our children live. This is not a fundraising event. Bring only an open heart and a friend.

Below are the dates for 2018. You can find more information on our tours on our website.

Saturdays at 10 a.m.
Meet in the Administration Building
• March 10
• April 7
• May 5 (Spring Festival)
• September 8
• October 6
• November 13

Kristi and Kelly

Message from the Executive Director

Vince’s View

PATIENCE and PERSEVERANCE are qualities that are not easily mastered by some of our students at Boys and Girls Country. Many of our kids come from neighborhoods and environments with very little structure. Their hopes and dreams for higher education are squashed by circumstances, but we give them the opportunity to break the cycle of low expectations.

Kelly and her sister came to live at Boys and Girls Country several years ago. They are both in the College and Career Program, and Kelly recently completed her first semester with a 4.0 GPA. Not only did she finish with an excellent GPA, but she will receive the President’s Scholarship for the spring semester at Lone Star College Tomball. Not bad for a young lady who did not see herself going to college or completing high school.

Kelly is a graduate of Waller High School, but this was an accomplishment that did not come easy. “I did not see myself graduating high school. I would easily give up because of my learning disability. I never felt like I was good enough,” says Kelly. Sports also played a vital role in her life. “Playing soccer helped with my social skills and improved my grades.”

Kelly credits her Teaching Parents and several tutors for her academic success. The Education Lab at BGC is equipped to help students like Kelly reach their academic goals. Tutoring and college preparation begin early at BGC. We want our students to envision graduation as well as a career path that will lead to college or technical training. Kelly desires to pursue a degree and career in Hotel and Restaurant Management.

Boys and Girls Country is blessed to have a dedicated staff and a host of generous volunteers. Kristi Pierce serves as the Program Manager for the Education Department at BGC. She has a long standing relationship with Waller ISD and is a fierce advocate for our students. Kristi has watched Kelly grow and develop into a young adult over the years. “Kelly has overcome many educational difficulties through hard work and determination. With every achievement I would watch her set a new and bigger goal,” says Kristi. Some students do not realize their full potential. Kelly claims, “She even encouraged me to take an AP class I did not want to take. Ms. Kristi really pushed me.”

What separates Boys and Girls Country from other programs? I could list a number of indicators, but Kelly’s story is definitely one reason we are different. BGC is not a shelter, boot camp, or short-term program. We are dedicated to the long haul of success. Our students are on a life-long journey, and we will help them exercise patience and perseverance every step of the way. Thank you for helping Kelly reach her goals as she works to complete another semester of college.

Vincent Duran, Executive Director

My Christmas was amazing! I had fun with all of my teaching parents and my cottage sisters. A majority of the time, I was over at my younger brother’s cottage. I enjoyed opening my presents and spending time with everyone. It was a fantastic Christmas, and I hope for another one just like this one.

Brandie

My Christmas break was really awesome! I loved going home to see my parents. I missed them majorly. Unfortunately, the day before Christmas Eve, I got sick. That day wasn’t the best, but I felt better the next day. On Christmas Eve, the whole family went to see my grandparents. We ate really good food, sang Christmas songs and stayed up until 4 a.m. playing Charades. Surprisingly, I was really good! When Christmas came around we opened presents, ate more good food and played with our gifts. The day after was the best! My cousins and I went to see two movies. We saw Jumanji 2 and Pitch Perfect 3. I really enjoyed my Christmas break. I can’t wait until next year!

Destiny

Welcoming Our New Board Chair

It is always a privilege to meet someone as dedicated and altruistic as Steve Stephens. His brilliant smile and positive energy are infectious and help him make connections on behalf of the organizations he serves. Steve has been a leader at Amegy Bank since 1990 and is now the CEO. This year, Boys and Girls Country is blessed to welcome Steve as our 2018-2019 Board Chair.

Steve joined the Boys and Girls Country board in 2002 after attending a Heritage Award Dinner. Since that time, he has chaired several committees and, most recently, served as the 2017 Heritage Award Dinner Chair. He routinely invites friends and colleagues to get involved at Boys and Girls Country. Steve recently shared why he supports Boys and Girls Country: “I have witnessed the changed lives of youth and selfless contribution of staff and community for over 20 years. This can only happen through the special grace God provides to Boys and Girls Country.”

In addition to leading Boys and Girls Country, Steve serves on the boards of the United Way, Greater Houston Partnership, and Hobby Center Foundation. He supports Houston Methodist on the President’s Leadership Council and as a member of the Society for Leading Medicine. We are grateful to Steve’s family, especially his wife Anne-Laure and their four children, as they support him in this leadership role.

Annual Board Meeting Highlights

For 47 years, Boys and Girls Country has relied on our community to provide for children from hard places. We are beyond blessed by the faithful support and prayers of so many. Our Annual Board Meeting, held each January, is a time to recognize directors and treasured friends for their service.

At this year’s meeting, held January 30, we recognized Randall B. Hale for his critical role as the 2016-2017 Board Chair. We also acknowledged the following outgoing Board Directors for their tremendous contributions: Jan Cameron, Herb Listen, Penny Loyd, Ben Pisklak, Mark Slaughter, Pete Wardenburg, and Scott Wegmann.

The Annual Friend of Children Awards recognizes donors, volunteers and community partners who have made a significant impact through their contributions of time, talent and treasure. This year we honored a number of friends including: Jay Aldis with Bracewell, Fern Basden, Champion Forest Baptist Church, Wayne Duddlesten Foundation, Deputy Trey Fosdick with Harris County Sheriff’s Department, Marsh & McLennan Agency, Kim McCoy, NW San Jacinto High Rollers, Texas Contract Floors, Tokio Marine HCC, the Watford family, and Dayna Williams.
Our Staff

Elaine’s Legacy

After 20 years of fundraising for Boys and Girls Country, Elaine Petranek will retire in June. Elaine was hired as Director of Development after giving her resumé to a friend with a connection at BGC. “I didn’t know about the position; Shirley (former Executive Director) just called me. It was a God thing,” says Elaine. Her first Spring Festival was held in the parking lot with barbecue and a live auction in the old gym building. They raised about $56,000 that year. Over the course of her time here, the festival and all other fundraising efforts flourished. The festival today raises over $600,000.

“It is the growth of our children - emotionally, educationally and spiritually - that has made this job meaningful to me,” Elaine says. She has loved watching kids grow up, learn to ride a bike or drive a car, get a job, make all A’s, graduate from high school and college, get married and come back to campus to show their family where they grew up.

As Director of Planned Giving for the last five years, Elaine has been instrumental in our current “Building for the Future” campaign. She drew on her wealth of knowledge from past cottage renovations as well as the construction of the Penny Loyd Student Life Center and Alexander Operations Center. We are so grateful for Elaine’s legacy of leadership and relationship-building. We can’t wait for her to attend the final ribbon cutting when the 11th new cottage opens! ❤

Our Staff

Jordan’s Story

Many of the kids who live at Boys and Girls Country have filled the role of parents to younger siblings. Jordan was often home alone with her younger sister while her aunt stayed out all night. While she made good grades and took care of her sister, it was never enough for Jordan’s aunt who criticized and berated her constantly. As the permanent babysitter, she was not allowed to play sports or pursue activities outside the home.

Jordan’s aunt brought her to Boys and Girls Country without preparation or even time to say goodbye to her sister or friends. She told Jordan she was done “dealing with” her and that this place was her new home. When Jordan arrived she was withdrawn, angry and depressed.

“I remember when Jordan told us that she wanted to play basketball but had never been allowed to play. She had lived with us over a month, and her grades and behavior were good, even if she did keep to herself. Once we got her into activities after school, she blossomed. She loved the support we gave her to pursue her interests. She’s a great kid,” says her Teaching Mom.

Two years later, Jordan is the leader in her cottage and has an after school job, a driver’s license and a college acceptance. She has experienced many firsts like attending a school dance, dating and interviewing for a job. Jordan is realizing her dreams and feels empowered to choose her future. We are blessed to give such an incredible young woman the chance to succeed.
Music
Enjoy music from local artists throughout the day, featuring headline artist Josh Grider!

Pricing
• Admission and parking are free.
• All-day Children’s Activity passes are $20 (ages 5 and up) or $5 (ages 4 and under)
• Food tents will be on site for an additional charge. Snacks and meals range from $2 - $8.

Activities
• Classic Midway Games
• Musical Entertainment
• Crafts
• Giant Inflatables
• Silent Auction
• Food Vendors
• Classic Carnival Food

FREE ADMISSION AND PARKING! For more info visit us online
What it will fund?

When you come to Spring Festival you are helping to provide a home to more than 100 children and young adults who live at Boys and Girls Country because their families are in some sort of crisis. Your support provides a child with three meals a day, clothing and shoes, personal necessities (toiletries), education, counseling and health services. You also support the young adults in our College & Career program, who are either in the military, working a first job, or studying in a trade or collegiate program.

What impact it will make?

You make an impact on our kids when you give to Boys and Girls Country at Spring Festival. We are able to give them a safe home and a warm bed, stability, an education and, most of all, parents, or teaching parents as we like to call them. Our teaching parents make sure the kids are taken care of and work to build up their confidence. Many kids enter our program one or two grade levels below their peers. The progress they make can be seen in their self-esteem, grades and attitude. We hope you will support Spring Festival this year and help our kids grow and blossom into self-sustaining and contributing adults.

Ways to Help!

- Underwrite a Zone or Booth Sponsor
- Donate an Auction Item
- Volunteer
- Invite Family and Friends

Our kids loved attending Texans games as guests of Houston Texans Center, Greg Mancz, this Fall!
Boys and Girls Country helps to break the cycle and effects of poverty and neglect by providing a secure, stable, Christian home environment. Since 1971, Boys and Girls Country has provided nearly 1,500 children the impetus to grow and prosper despite life’s obstacles. In addition to bolstering our children with love, care and by meeting their basic needs, we emphasize faith, education, building healthy relationships, and setting goals for the future.

Nearly 1,500 children and young adults have found a home at Boys and Girls Country.

124 total served in 2017.

Boys and Girls Country helps to break the cycle and effects of poverty and neglect by providing a secure, stable, Christian home environment. Since 1971, Boys and Girls Country has provided nearly 1,500 children the impetus to grow and prosper despite life’s obstacles. In addition to bolstering our children with love, care and by meeting their basic needs, we emphasize faith, education, building healthy relationships, and setting goals for the future.

Nearly 90% of the children who call Boys and Girls Country home come from families living in poverty. Many have lived in substandard housing and experienced food insecurity, and some come from abusive backgrounds. Kids from such backgrounds are at greater risk for poor academic achievement, mental and physical health problems, and developmental delays. All of our kids have faced what seem to be insurmountable challenges and may not have had the support system or a history of structure and self-confidence to propel them to success.

Revenue $4,894,764

Expenses $5,706,632

Our 2017 Annual Report will be published soon! Look for it on our website. If you’d like a printed copy, please email info@boysandgirlscountry.org.

Endowment Fund

A Smart Way to Use Your IRA!

Tommy and Jean Robinson founded Boys and Girls Country in 1971 with a vision and a $25 donation. Today, Boys and Girls Country is strong and vibrant because of faithful, loyal donors like you.

But what about tomorrow?

Will children who have not yet been born be able to receive the same love and nurturing Christian environment that Boys and Girls Country provides for children today?

The good work that your giving does for Boys and Girls Country can live beyond your lifetime. By including the Boys and Girls Country Endowment Fund in your will or trust, you will be assured that your loyal support will continue for tomorrow’s children. Only the earnings are used from the endowment fund – so a gift made in this way will fund our work with children far into the future. And if you do include us in your estate plans, please let us know. We want to thank you personally.

For assistance, please contact me. I am here to help you leave a legacy and make your dreams of changing children’s lives a reality.

Elaine Petranek
Director of Planned Giving

Not intended as legal, tax or investment advice.

Mission

To change the lives of children from families in crisis by loving and nurturing them in a Christian home environment, raising them to become self-sustaining and contributing adults.

Vision

That every child has a place to grow up and a sense of being home.

For questions about this mailing or to make an address change, please call 281-351-4976. Some names have been changed to protect the privacy of our children and their families.
